The Madeira Flower Festival

The annual Madeira Flower Festival has been an important celebration for many years. During the spring, when the flowers are the most beautiful, local people and tourists can enjoy a lot of festivities. Since it began, the festival has included a flower parade through the streets, dances, shows and concerts. Just a few years ago a new attraction appeared – a flower wall, where children put flowers as symbol of hope for a better future. Also, an interesting long-time tradition is the making of flower carpets in the streets. The festival is an amazing experience!

I've read your blog about making best friends and I'm not sure I agree that it's always your schoolmates. I mean, you can make new friends everywhere: at school, on holiday or in the gym. What really matters is who you can call a real friend. In my opinion, it's someone you can trust and who'll always help you when you need it. It isn't easy to make friends for life, but they're the important ones, and it's not everyone you just know or hang out with.

- 4 In his comment John talks about

- A the best place to make new friends.
- B the type of people who are best friends.
- C the problems with making new friends.

Hi Sophie,

I'm writing to ask you about your Halloween plans. If you haven't got any, why don't you come and stay with me this year? The town is organising a special attraction called the SCARY MUSEUM TOUR. The idea is that instead of its normal display, the museum will turn into a haunted house, with exhibitions of costumes, creepy things and so on. The best thing, though, is that during the tour the museum staff, dressed up as different historical figures, will jump out, scare the visitors and tell them about a historical event. Well, if it's as good as last year's SPOOKY MAZE ADVENTURE, it'll be really great fun. And don't worry – I'm not going to ask you to go trick or treating. I know you think it's only for small kids. Let me know as soon as you can because I need to get the tickets for the museum tour and I'm afraid they'll sell out quickly.
