My blog

Unlike some of my friends, I like going to school. My favourite subjects are maths and (1) h     c and I'd like to be an engineer in the future. The first (2)     m (from September to January) is the best time at school for me because I'm full of energy and motivation after the summer holiday. This year we have a new form (3) u     r, Mrs Evans, who seems a bit strict. Just like my parents! They're always telling me to get good (4) m     k in each subject, but it's almost impossible! Anyway, I'm in my final year and I'll need to (5) r     s a lot of material for my school-leaving exams. I'm afraid it's going to be a hard and busy time for me! \_\_\_\_\_ / 5

My blog

Unlike some of my friends, I like going to school. I love books and theatre plays, so my favourite subjects are drama and (1) i     r     u as I'd like to be a writer in the future. Last year I did a(n) (2)     u     s in short story writing. It took two months and it was amazing. When I finished it, I got a (3) c     t     c     e which of course, I put up on my bedroom wall! At school I enjoy doing (4) r     j     s because we work in groups and discuss problems together. I also spend quite a lot of time in the school (5)     b     r, either using reference books or just looking for a good read. \_\_\_\_\_ / 5
